Yards Sun Inn Ale - 5.6% abv Philadelphia 6

Brewed with Pale malt, Oats, Rye, Wheat, and Corn. These are all things early settlers would have used to make beer. Hopped with Cluster hops. Cluster hops are the oldest mass-produced hop in America. It's believed that they derive from hops that were brought over by Dutch and English settlers. These hops then began to change to what we know as Cluster today by open pollination with native hop varieties.
